## BEST CONTRIBUTION TO CHARITY

**TRIUMPH OVER COVID-19

*Highly commended*  
**DRIVERS' UNION  
ALVIS OWNER CLUB GRANTS**

This is a mission that lies at the very heart of the car club scene, and such is the selfless support within our community that almost every entry in every category this year could be considered for this award. Our first shortlisted club is Drivers' Union, a not-for-profit organisation that caters for supercar owners, and which leverages the public passion for these phenomenal cars to raise money for local and national organisations through charity rides.

The Alvis Owner Club also gets an honourable mention, for selflessly repurposing the funds that had been raised to put on its COVID-cancelled centenary celebrations into projects supporting those suffering hardship in the marque's home town of Coventry. The club's board awarded grants of £2500 each to Coventry Foodbank and the Motor and Allied Trades

MG CAR CLUB**

If there was an award simply for the number of nominations, then it would surely go to the Drivers' Union, whose passionate members clearly love being part of this exclusive yet growing community of supercar owners. Free to join and driven by the passion of founder Syeed Ali, as one member said: 'It's not just your ordinary car club... It's a family.'

From one very new club to a very old one: 90 years old, to be exact, as the MG Car Club becomes the second group on our shortlist. Despite the pandemic, this superb club has continued to grow its membership while
